Living the Gospel by helping young families to succeed...

When Amber found out she was going to be a mother, she was afraid and uncertain about who to turn to and where to go. After a friend told her about Rose of Durham, Amber arrived looking for help preparing for the arrival of her son. After one session with her counselor, she felt very safe and welcome, and her anxiety about becoming a parent began to decrease. Amber took advantage of all the programs and services Rose of Durham had to offer and as a result, her self-esteem drastically improved, along with her parenting skills. Amber admits she would not be the parent she is today if it wasn't for the help and guidance she was offered at ShareLife-supported Rose of Durham. Last year, over 1,270 young parents received the care, counseling and educational support they needed to care for themselves and their new families.
