### EASTER SUNDAY April 1, 2018

*Living the Gospel by evangelizing our faith in the greater world*

Gia Lao Parish resides in the mountainous Diocese of Xuan Loc in Vietnam. Its parishioners, mostly poor, work on the hillside farms. The Pastoral Mission Fund, with the support of ShareLife, provided a one-time grant so the parish could acquire resources it could not otherwise provide. This includes bibles and hymnals, along with training for 60 catechists, who lead marriage preparation and catechism classes. With your support, Gia Lao Church is bringing faith to a community in the greater world.

*April 22 is the next ShareLife Sunday. Please give generously.*

### A Two Part Discussion on Theology - April 5 and 12

**Date: Thursday April 5, 2018**

Topic: What is Theology?

~Guiding idea: Theology is the mediation between the revelation/gospel and the cultural context to and for which it is preached

~Challenge of making a 2000 year old document understandable, relevant and alive for our age.

**Date: Thursday April 12, 2018**

Topic: Can Theology and Faith change?

~Guiding idea: God has revealed certain eternal truths. Theology and faith are historical processes, by which humans strive to understand these truths

~There is nothing like an eternal faith or theology because both change during history

~It is very relevant for our understanding of culture, other religions etc. to be aware of that

**Presenter Bio:** Bernhard Kohl was born in Cologne, Germany. He joined the Northern German province of the Dominican Order in 2000, is currently a member of the Dominican community in Toronto and teaches at St. Michael's College (UofT).
