Living the Gospel by maximizing the impact of your donation

Administered by SE Health, the Shared Services Initiative is supporting ShareLife-funded agencies in the areas of human resources, financial services and information technology. Participating agencies are able to improve the quality, competency and accuracy of their work. Through this initiative, ShareLife agencies are reducing their administrative expenses and ensuring that the maximum amount received is directed to the front-line services they provide. As of this weekend, our ShareLife total is \$37,894.60. Our goal for this year is \$44,300.00

Please make a sacrificial gift to ShareLife through your parish or sharelife.org
