Invite a Friend to Become Catholic!

As Christians, we are invited to share the Good News with others. Today this can be done by inviting someone to consider joining the R.C.I.A. in the parish where they would like to attend Sunday Mass. The "R.C.I.A." is the Rites of Christian Initiation of Adults. Through the celebration of these rites in their local parish community, individuals become members of the Catholic Church through their local parish community. These rites are accompanied by a catechetical process which educates those who are becoming Catholic in the teachings of Christ and the traditions of the Church that He established to continue His mission and spread the Good News.

Here at St. Peter's those who wish to become Catholic are invited to begin attending Mass in our parish community each Sunday. As they do this, they are accompanied by the R.C.I.A. team and meet on Tuesday evenings to learn about our faith, deepen in a prayer relationship with Jesus, and discover how they can find their place in our Christian community through Sunday worship, service of neighbour and prayer. The R.C.I.A. at St. Peter's will begin in September. The group will meet throughout the length of the school year. The Sacraments of Initiation (Baptism, Confirmation and Eucharist) will be celebrated at Easter (March 30, 2024) and the group will continue to meet until the end of the Pentecost season (June 2024).

For those already Baptized in another Christian denomination a shorter path towards joining the Catholic Church may be possible, depending on their previous faith formation.

If you know anyone who might be interested in becoming Catholic, please invite them to consider joining the R.C.I.A. at the parish where they wish to attend Sunday Mass. If they wish to do so here at St. Peter's, please have them give Fr. Michael a call for more information (416-534-4291, ext. 211).

Someone to Talk to in a Difficult Time

These uncertain Covid times have shone a light on the pressing need for mental health support services. St. Peter's Parish and Dr. Egit have teamed up in addressing that need. When is it time for mental health support? The question is puzzling. Are we; depressed enough, anxious, enough, stressed enough, worthy enough? Those are imponderable quandaries on which to base a decision. The simpler questions are, "Have I been unhappy?" and "Is my daily life a struggle?"

If the answer is yes, then mental health supports are appropriate. The service is free. There are a limited number of hours dedicated to this program. Dr. Egit will be available for appointments Wednesdays between 11:00 a.m. and 3:00 p.m. Each appointment will be 45 minutes in length.

The sessions will be conducted on line or by telephone. To arrange to speak with him, you are asked to call and book an appointment with the parish office (416-534-4219).

Dr. Egit is a psychotherapist and a psychoanalyst experienced in working with individuals and couples. He holds an MA and a Ph.D. from The University of Toronto and had completed his psychoanalytic training and certification from the Toronto Institute of Contemporary Psychoanalysis. He is registered with the College of Registered Psychotherapists of Ontario
