### Fraudulent e-mail and social media communication - Warning

In recent days, a Facebook account and e-mail communication claiming to come from Archbishop Leo have been circulating through the Catholic community. Archbishop Leo does not have a Facebook account and any official e-mail correspondence should come from an archtoronto.org e-mail address. If you receive fraudulent correspondence, please delete the content from your inbox.

Sadly, we have seen this type of fraudulent activity target priests and bishops on a regular basis. Please review the e-mail address on your correspondence and be mindful of these impersonation accounts.
